Community College

Who: Students placing into Boot Camp or English Level A (ENG 066) who are motivated, hard-working, and able to commit to the program.

What: Gateway is offering an English Boot Camp for students wishing to improve their English/Reading skills. This course will emphasize basic sentence skills, grammar, mechanics, paragraph writing, and reading comprehension.

Why: This is a **FREE** non-credit prep course that provides students with the opportunity to refresh their English skills while building confidence in that focus area. Upon successful completion, students will be re-assessed and possibly place into a higher-level course, therefore saving **TIME and MONEY**. Students will also receive one-on-one advising and be registered for the appropriate English course.

Course Modalities: These courses are offered in a synchronous manner including live remote online learning (LRON) or traditional on campus (TRAD) modalities. Students should understand that a synchronous Boot Camp will involve a rigid schedule.

Students will be required to attend class meetings – which in most cases will be 3-hour sessions, 5 days a week for 3-weeks. This means if you have a hectic and unpredictable work schedule, it is important to select the modality that is most appropriate for you.

Committing to a synchronous Boot Camp requires adhering to set schedule for the duration of the course.

Students interested in the LRON Boot Camp should be aware that online or distance learning will happen in real time.

Students and the instructor will interact in a virtual classroom using WebEx or Microsoft Teams technology. This could include video lectures, live chatting, and live streaming lectures.
