---

**Project MotherCare services are available**

to women (do not have to be a mother) and children who do not have medical insurance or who have HUSKY, SAGA or other public assistance and who have difficulty getting access to care:

- Prenatal Care
- GYN Care
- Adult Primary Care
- Pediatric Primary Care
- Immunizations*
- WIC*
- Substance Abuse Counseling
- HIV Counseling and Testing
- * prior immunizations records required

Adult men will no longer be served by Project MotherCare and will be referred to the hospital’s Family Health Center and to other resources.

---

**For more information call 789-3562**

By transitioning from mobile services to fixed sites within communities, Saint Raphael’s is rededicating the program to its original mission – serving women and children – while increasing the ability to treat even more patients.

*Project MotherCare has been sponsored in part by Connecticut Health and Educational Facilities Authority (CHEFA)*
