

Tutoring

Tutoring for the fall semester will begin on Friday, September 4th and end on Tuesday, December 8th except for Developmental English which begins on Friday, September 11th and ends on Thursday, December 10th.

CES Tutoring

The Center for Educational Services will provide tutorial services for the fall semester. Tutoring is available only to students registered for classes at GWCC. To schedule an appointment with a tutor click on the link below and select your area of study. Please be mindful that online tutoring sessions will be 5 students maximum per sessions. Online tutoring will take place via MS Teams. **Tutoring available for following subjects, A&P, Accounting, Biology, Chemistry, Developmental English, Macroeconomics, and Microeconomics, math, physics and statistics.**

Subject	Link
Accounting and Economics	CLICK HERE
Biology	CLICK HERE
Chemistry	CLICK HERE

Drop-in Math

Drop-in tutoring for **Math 079, 085 & 095** is available for students registered in those classes. For the Fall semester drop-in tutoring will be available both on campus and virtually. No appointment is needed for either, students can 'drop-in'. To access virtual drop-in please click on the tutor's name to access their WebEx personal room. When signing in for tutoring please put your professor's name in parenthesis beside your name. Ex. Jane Doe (Cull)
