The Board of Regents voted in June 2021 to require all students who participate in on-campus activities this fall to be fully vaccinated against COVID-19. That means if you plan on attending class or extracurricular activities in-person, you must first get vaccinated.

The vaccines that are currently authorized in the United States are safe, highly effective, and critical to resuming normal operations at our campuses this fall. [View the Connecticut Vaccine Portal to find a FREE vaccine provider near you \(ct.gov\)](#)

More information about the vaccine policy is available on our CT.edu website: [View Vaccine Requirement FAQs \(ct.edu\)](#)
