

## **Gateway Community College Surgical Technology Program**

Applicants to the Gateway Community College Surgical Technology Program for the 2021-2022 academic year must complete their applications online. *Paper applications will not be available.*

**The application period is from July 31, 2021 – October 31, 2021.**

Please note: Applicants without a community college net ID must first submit a general Gateway Community College application.

If you already have a Banner student ID but have never submitted a general Gateway Community College admissions application, please submit a general Gateway Community College admissions application before you submit your Gateway Community College Surgical Technology application.

Please visit <https://www.gatewayct.edu/ApplyNow> to submit a general Gateway Community College admissions application.

To complete the online Surgical Technology application:

1. Go to <http://my.commnet.edu>
2. Login using your NetID & password (for example: 01234567@student.commnet.edu)
3. Click on "Banner Student & Faculty Self-Service" (upper right corner of the page)
4. Select Gateway Community College
5. Scroll right and click the "Selective Programs" tab
6. Click "**Allied Health Programs**". You will then be directed to the Gateway Community College Surgical Technology Application.

You can now complete your application to the Surgical Technology Program at Gateway Community College.

*Please make sure to read the "Surgical Technology Information Packet, 2021-2022 Academic Year" before submitting your application.*

Once your online application has been submitted, you will receive a confirmation email. All emails will be sent to your community college email address. You can look up your new email address in MyCommnet or at <http://www.ct.edu/netid>.

Contact [mbanks@gatewayct.edu](mailto:mbanks@gatewayct.edu) if you have questions regarding the Surgical Technology application.
